Thomil product REACH APPROVED

SURFACTANTS BIODEGRADABLE AS PER:
Regulation 648/2004/CE

Description:

Complete laundry detergent for white and colored clothes, which incorporates the latest biological/enzymatic technology to achieve more than 20% savings in water, electricity, time and washing temperature. Much more effective than traditional products, reducing drastically the rate of clothes to be rewashed. It whitens whites and revives colors, while extending the useful life of textiles and increasing their softness. Recommended as ALL IN ONE detergent to be used with the integrated basic washing system of 3 products, ThomilMatic TRIO.

Key Properties:

Complete enzymatic detergent for textile washing. To be used manually or with automatic dosing system.

Use Instructions:

Prewash dosage: Normal dirt: 3-5 g/kg clothes. Very dirty: 6-8 g/kg clothes.
Main wash dosage: Normal dirt: 7-10 g/kg clothes. Very dirty: 8-12 g/kg clothes.

Technical Data:

*PROPERTIES: High Concentration. It removes all dirt naturally and respects textiles because of its low alkalinity. Enzymes always wash at low temperature (maximum 45ºC). Substantial improvement of wastewater readings. It incorporates the Novozymes Levity Integrate compound with the most complete groups of enzymes (5 groups).

* SPECIFICATIONS:

Appearance:	Viscous liquid
Colour:	Light blue
Odour:	Floral
Density:	1011 - 1015 kg/m³
pH:	7,5 - 8,5

* COMPOSITION: Mixture: Scented aqueous solution based on surfactants.

Preservation and Storage:

Keep in its original package tightly closed, protecting it from cold and intense heat. Avoid freezing. Do not expose to direct sunlight.

Security and Handling:

DANGER. Contains: Alcohols, C13-15, ethoxylated. Causes serious eye damage. Wear protective gloves/eye protection. IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. Immediately call a POISON CENTER/doctor. If eye irritation persists: Get medical advice/attention. Dispose of contents /container in accordance with local /regional /national /international regulations on hazardous waste or packaging and packaging waste respectively. FOR PROFESSIONAL USE.

Warnings:

In case of accidental ingestion, please contact the National Toxicology Service.

Our TECHNICAL DEPARTMENT will attend any doubts or questions you have about products or applications without obligation.
