DESCRIPTION

Thomilmatic N-3
Concentrated liquid detergent for clothes washing

Concentrated product achieving excellent results for washing and moisturising all types of clothing. Effective in any water hardness and temperature.
Dosing: through automated dosing system.

Thomilmatic OX-5
Disinfects, whitens & destains all types of clothing

Product for the disinfection, whitening and destaining of all type of clothing, even at low temperatures. Removes bad odours with antiseptic power. Totally soluble in water.
Dosing: through automated dosing system.

Thomilmatic S-6
Softener with neutraliser

Low dose concentrated product, pleasantly scented that prevents the growth of mould on clothes, makes ironing easy, reduces drying time and removes the static charge of clothes after the washing process. Provides a bactericidal effect. Totally soluble in water.
Dosing: through automated dosing system.
